

End of Life Notice

Posiflex Business Machines, Inc announces the End of Life of the XT3915 model.

Effective immediately the XT3915 series will no longer be available for sale nor special ordered thru our factory. Product availability will be based on “on hand” inventory at Posiflex or within our channel partners.

The following details have been outlined for your review and consideration:

Affected Model

All configurations of the XT3915 series.

Product Timeline

New Product on Market	Initial product offering to the market	April 2017
Phase Out Notice	Product offered while supplies last	May 2023
Last Buy Date	Last day to submit stocking orders	May 2023
EOL Date	Official End of Life cycle, product no longer produced	May 2023
Support and Replacement Parts	Technical support and replacement parts for service commitment	May 2026

Replacement Options

Posiflex offers the XT3825 Series in a similar configuration. Contact your Sales Manager for assistance in selecting a replacement that best fits the customer’s needs.

Technical Support and Replacement Parts

Technical support will remain available through May 2026 via phone call or email via our website. Posiflex is committed to providing and offering spare parts for post warranty and/or self-repairs for three (3) years as of this official EOL notice. Parts may remain available beyond the three-year term, however, not guaranteed.

Product Accessories and/or Peripherals

Please note that corresponding peripherals and accessories for the XT3915 series will still be available; however, could be phased out in the future based on product demand.

Warranty / Maintenance Services

Customers with active warranty or service contracts will continue to receive service from Posiflex until the item’s warranty end date or end of contract date expires. Warranty and/or maintenance contracts will not be extended beyond this EOL notice.

Posiflex greatly appreciates the support given to this product over its lifespan as well as to that given to the next generation of reliable and quality driven products.

Do not hesitate to contact your Regional Sales Manager or Customer Service with any questions, concerns, or availability inquiries.
